

## Power Management

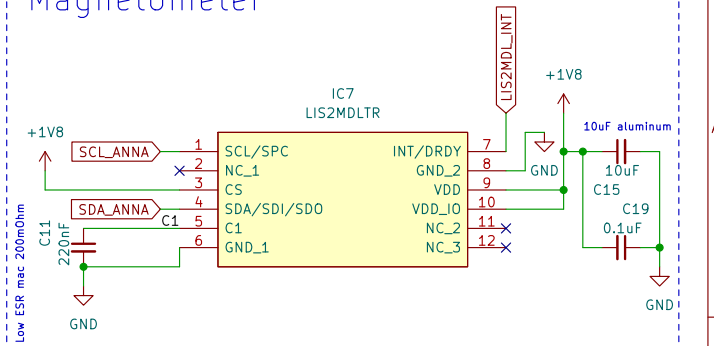

## IMU with step counter, gesture detection etc.

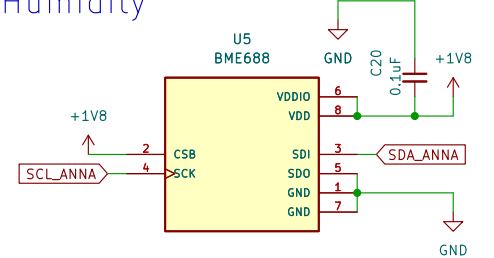

## High accuracy pressure sensor

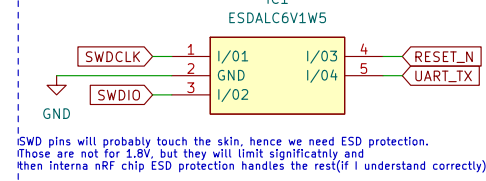

## Magnetometer

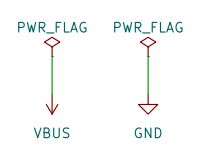

## Gas, Pressure, Temperature & Humidity

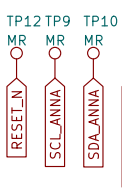

## ESD protection

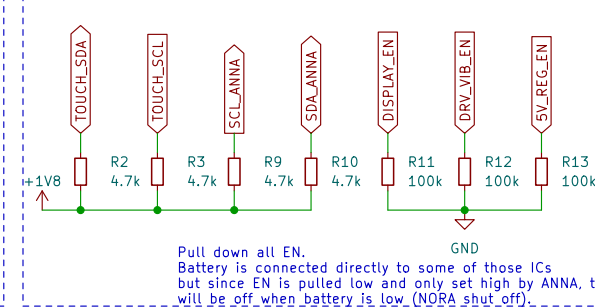

## Power flags

## Test Points

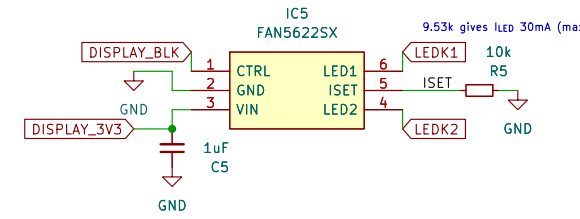

## Pull-up/down resistors

## Display

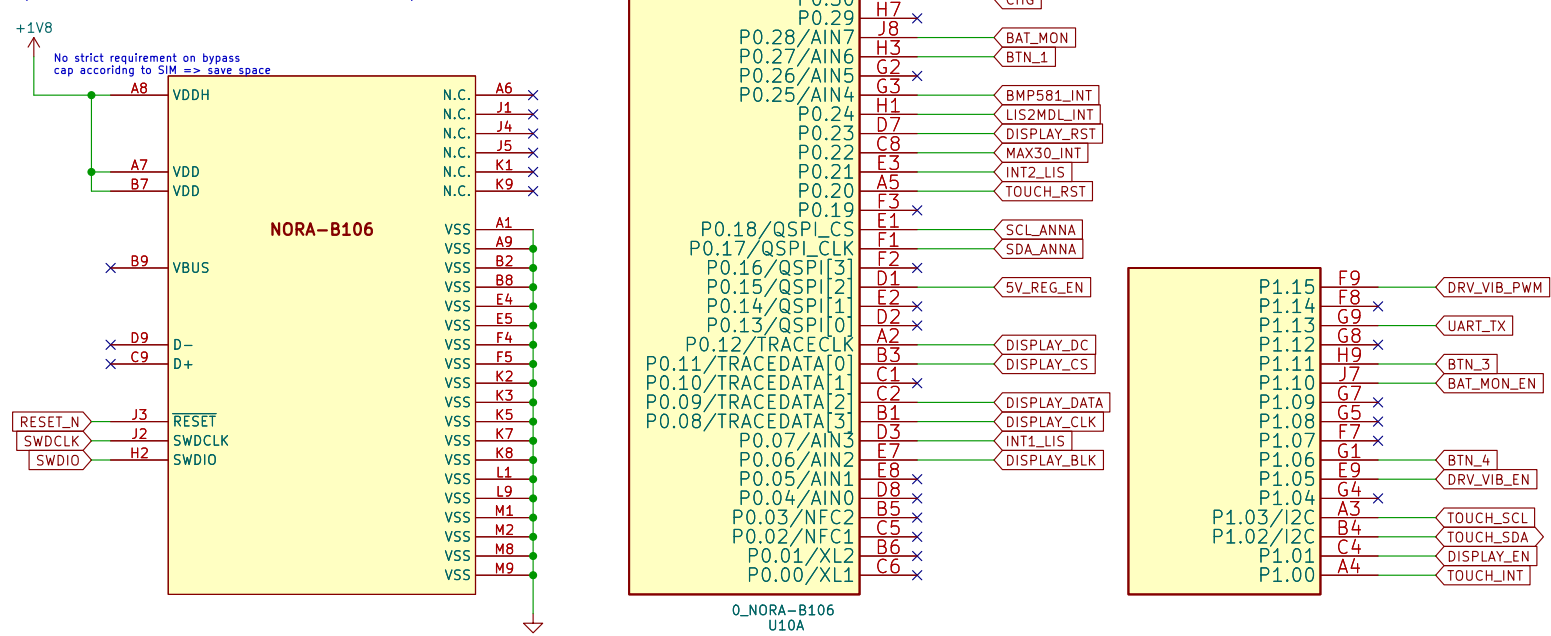

### Display backlight

## Vibration motor (ERM Mode)

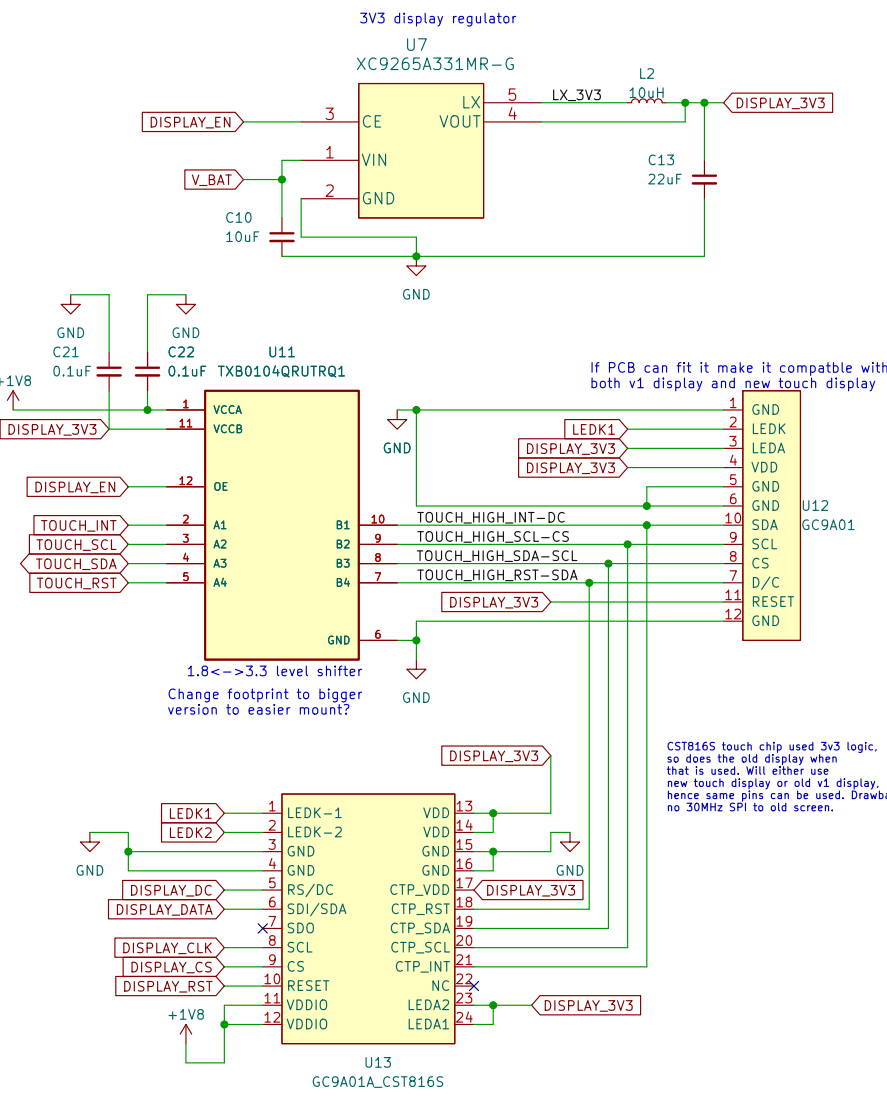

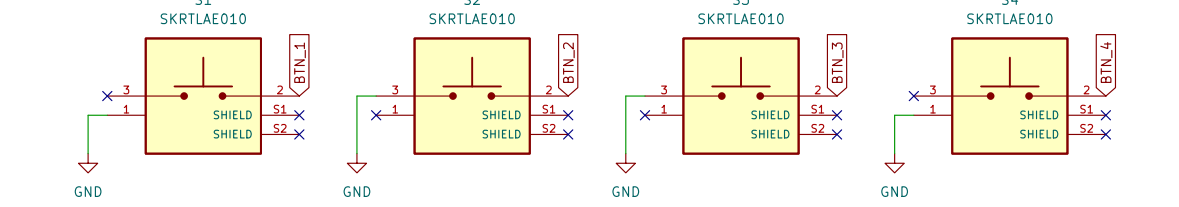

## Microcontroller (NORA-B106/nRF5340)

## Mounting Holes

## Buttons

## Biometric sensor Heart rate etc.
